Dear Friend in the Dharma,

We are happy to announce that our Annual Spring Nembutsu Retreat will be held on Feb. 10, 11 and 12, 2012, at the Palm Garden Hotel in Thousand Oaks.

We are delighted that Rev. Tetsuo Unno will again be leading the retreat, and has been planning the format with the committee with the general theme of “Grappling with Paradoxes as a Gateway to the Heart of the Buddha Amida”. A number of religious – especially Shin Buddhist – paradoxes will be put forth. It’ll then be the task of those participating to struggle and come up with their Answers or Solutions. Their reward being an understanding that goes, to some degree, deeper than the level of more words, concepts or objective dogma.

We sincerely hope you will join us in February. A registration form and retreat schedule are enclosed. Please join us for an inspirational weekend! Call any of us if you have any questions.
